---

No.MPSC/Misc -55/1/2022-2023/3

Dated Shillong the 12<sup>th</sup> August, 2022.

**PUBLIC NOTICE.**

Whereas many complaints have been received from various candidates stating that though they have paid fees yet payment is not reflected in their application forms, and reflected as "FEE NOT PAID" and in some cases there are automatic refunding of fees paid to the Commission,

Whereas these problem has been brought to the notice of the Commission that due to a system failure, fees though paid, indeed did not reflect against the application of the candidates and there are also many instances where automatic refunding of fees was made to the candidates,

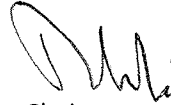

Whereas the Commission after thorough deliberation is of the view that if the candidates whose fees payment has been disrupted due to "system failure" is not given chance to submit, many job seekers would be deprived of their right to participate in the recruitment process for no fault of theirs,

Now therefore, the Commission taking cognizance of the problem of candidates orders that candidates whose payment has been recorded in the database but failed due to system failure to pay their fees as per rates applicable from 16<sup>th</sup> August,2022 to 30<sup>th</sup> August,2022. Such candidates are being informed via SMS through their registered mobile number and also through their email address for necessary action,

Further the Commission having regard to previous experience of system failure and in order to ensure that there is no more problem as far as payment of fees are concerned, directs that fees be paid through means of e-Challan/Cash Payment only at any branch of SBI.

For Cash Payment, please select Payment across Bank Counter. Fill in the required details. An e-Challan will be generated. Take a print out of the e-Challan and make the required payment at any branch of SBI.

After Payment, all candidates are required to upload the e-Challan, signed and sealed by the bank, in the "Upload Documents" link provided in the Recruitment Processing Application (RPA).
